SHAWN WEHAN
Executive Coach

Shawn Wehan, M. Div. is an energetic executive coach with over twenty years of collaborative experience guiding organizations and individuals to success.

Shawn's integrated approach to coaching stems from a diverse background in education, systemic organizing and executive leadership. Shawn works with a variety of industries within the independent and commerce sectors navigating leadership challenges and building effective collaboration.

Shawn is also the CEO and Founder of Givsum, Inc., a philanthropic fundraising tech platform and the Executive Director of Future Leaders of Our Community, a professional bridge-building group partnered with over 350 nonprofit organizations.

Shawn is a frequently requested speaker on the topics of philanthropy, community engagement and team leadership.
