Kevin Buck is a collaborative leadership and executive coach, leveraging more than 30 years of consulting experience to guide organizations toward self-transformation. As the President and Founder of Emergent Success Inc. in 2006, he and his team offer collaborative leadership consulting and advisory services including the following: Executive Coaching (*for individuals and teams*), Talent Development, Succession Planning, Strategic Planning and Facilitation and Leadership Education. The mission of Emergent Success is to assist individuals, teams and organizations in 'co-creating' the optimal conditions for success to emerge.

Facilitation Engagements

- Facilitated a comprehensive assessment and strategic plan for the Roman Catholic Diocese of Orange.
- Co-developed and facilitated a national inter-professional summit for Kaiser Permanente for healthcare teams and academic partners.
- Co-facilitated meetings for the Nightingale Initiative for Global Health (NIGH) at the United Nations (UN) with the UN Leadership and Development Director.
- Facilitated a two-day strategic planning session for a nursing leadership team and stakeholders at a national healthcare organization.
- Facilitated a 5-year strategic plan for a local affiliate of a national cancer fundraising organization.

Coaching Engagements

- Chief Executive Officer and senior management of a national healthcare system.
- Chief Technology Officer and Chief Financial Officer of a technology company.
- Chief Executive Officer and Senior Management team of a leading heavy civil engineering company.
- Marketing Senior Vice President of a leading national bank.
- Chief Executive Officer of a local non-profit agency.
- Bishops and religious leaders of various faith traditions.
